**JASON SPANGLER APPOINTED REGIONAL SALES MANAGER FOR BLOW MOLDING SYSTEMS**

Robert Schroeder, business development director of blow molding systems for Graham Engineering Corporation, has appointed Jason Spangler to be regional sales manager for blow molding systems in the eastern U.S.

Mr. Spangler's responsibilities includes the states of Alabama, Connecticut, Delaware, Florida, Georgia, Massachusetts, Maryland, Maine, Mississippi, North Carolina, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, South Carolina, Tennessee, Virginia, Vermont, and West Virginia.

"Jason brings knowledge and experience in resin analysis and sourcing in addition to account management," said Mr. Schroeder. "He has helped leading brand owners in the beer and spirits segments to convert from glass to plastic packaging. His proficiency in resins, blow molding, and packaging conversions make him a knowledgeable and capable source of support for our customers."

Jason Spangler joins the group from Graham Packaging Corporation where he began his career as a purchasing agent and then served as an account executive.

He holds a BA degree in economics from the University of Pittsburgh.
