York, Pennsylvania, USA  
April 8<sup>th</sup>, 2019

**AMERICAN KUHNE, A BRAND OF GRAHAM ENGINEERING CORPORATION, ANNOUNCES NEXT SPOTLIGHT™ MEDICAL EXTRUSION & SECONDARY OPERATIONS CONFERENCE**

***Nationally recognized sports medicine physician and surgeon Dr. Robert C. Palumbo will keynote***

The next [Spotlight™ Medical Extrusion & Secondary Operations Conference](#) will be held May 8<sup>th</sup> & 9<sup>th</sup> at the Marriott Courtyard in York, Pennsylvania.

“The focus of our Spotlight™ conferences is on medical extrusion and secondary operations with a suite of expert presenters tackling topics from materials unique to medical, processing challenges, case studies, and lessons learned,” explained Graham’s vice president & chief marketing officer, Gina Haines.

Dr. Robert C. Palumbo, nationally recognized Sports Medicine physician and surgeon, will be they keynote speaker. A graduate of Rutgers Robert Wood Johnson Medical School, Dr. Palumbo performed his Residency at Robert Wood Johnson University Hospital in New Brunswick, New Jersey.

During 8 years of practice in Orlando, he served as orthopaedic consultant for the Cirque de Soleil, The Orlando Ballet, Sea World, as well as team physician for the U.S. Women’s National Soccer team, which he continues today. He is President and Founder of OAA’s Sports Medicine Institute, a nonprofit organization that provides medical education to sports medicine professionals. Dr. Palumbo is a second-opinion physician for the NFL Players’ Association, as well as the Head Team Physician for a AAA affiliate of the Philadelphia Phillies.

Graham Engineering Corporation organizes its Spotlight™ Conferences annually in varying locations to address important developments and new technologies in medical extrusion and secondary operations.
